Total Knowledge and the Upanishads, with Raja Peter and Dr Vernon Katz

“A week of bliss with Raja Peter and Dr Katz giving out knowledge and anecdotes, including their experiences with Maharishi.” - PK

Raja Peter’s presentation of the complete framework of Maharishi’s Total Knowledge lays the ground for Dr Vernon Katz to bring out fascinating insights into the wisdom of the Upanishads. Total Knowledge is the full knowledge of Brahm - full knowledge of Absolute and relative and the connection between the two - as brought to light by Maharishi. According to Dr Katz, “the Upanishads are so inspiring. It is obvious that this is supreme wisdom, taking the form of conversations and stories that reveal Brahm.”

Dr Katz is author of two highly acclaimed volumes of Conversations with Maharishi about the Brahma Sutras (MUM Press). With Dr Tom Egenes he has also published a well-received new translation of the Upanishads (Tarcher Penguin). Dr Egenes will also address the course by video conference. Dr Egenes is Professor of Maharishi Vedic Science and Sanskrit at Maharishi University of Management, USA, and author of two Sanskrit primers.

“Christ said ‘The Kingdom of Heaven is within you.’ Buddha gave the message of nirvana. The Upanishads speak of the same sat chit ananda, eternal bliss consciousness, that is your own Self.” - Maharishi
