Be inspired • Be enlightened • Be here

Raja Anthony Miles – Bio

In July of 2019, Dr Anthony Miles was appointed 'Raja' (administrator) of the Global Country of World Peace with responsibilities in the UK, Botswana and Barbados.

Raja Anthony was also given a special role for the Arts by Dr Tony Nader, MD, PhD., MARR, the head of Maharishi's global Transcendental Meditation Movement. On October 8, Raja Anthony announced 'Academy of Arts for Enlightenment' at the Maharishi Peace Palace in Boone, North Carolina, to 'fulfil the goals of all artistic expression through Maharishi Vedic Science'.

For 20 years, he was a designer on Maharishi's International Staff, travelling and working in 10 countries, including 5 years of advanced research under Maharishi's guidance. His life-long career in art and design has embraced graphic design and printing, product design and manufacturing, textile design and production, merchandising design and advertising, website design and marketing, fine art painting and promotion, and Maharishi Vastu architectural design.

Raja Anthony and Sharon have established three TM Centres in the USA; reopened and led the Brighton TM Centre in the UK, and were instrumental in establishing the Maharishi Peace Palace in Boone, North Carolina.

Raja Anthony holds an Advanced Diploma in Merchandising Design from the University of the Arts London; a Doctorate of World Peace from Maharishi European Research University, Switzerland; and is a Fellow of the Royal Society of Arts.
